Docket No. 98N-1265

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

Very important for us women
to have our individual compounded
prescription that meets our health needs.
This prescription works for me
and it comes from Wisconsin (out of state.)
I do not want my quality of
life restricted and I object to the
"inordinate amount"
